

Beach & Grounds Activity – 5/16th 2026

Poles were in the lake and retrieved – Doug and Satch put the dock out in the Boat Launch area - 5/3/26

Wheel for the gate at the boat launch has been purchased and replaced –

Wood for picnic table was picked up by Doug Gurecia, Doug or Satch will repair the Picnic Table

Gotta Go Port a Potties were delivered to both beaches (Clubhouse and Westshore) the week of 5/11/26

Garbage Cans were put out at both beaches and have been locked up – Bill May was contacted and he will oversee the garbage starting 5/5/26 till the end of the Season (he has bags for cans) and will reach out for more once depleted

Sand was ordered from D&S Hauling (5- yards at \$ 200.00 plus tax) any additional sand would need to be brought in with a different truck – not sure of delivery capability

Date/Time for Beach Docks and Swimming Ropes to be coordinated by Doug, Satch and Brian Reynolds – will contact Mark Gantner (a community member who volunteered to help)

Help will need to be recruited for spreading the Sand at Westshore Beach
