

Beach and Grounds Report

April 2023

Submitted by: Doug Guercia

Tennis court net was put up and table and chairs put out on 4/1/23. Thank you to Ralph Cozzolino and Bill McCarthy with the help. Courts looked pretty clean with the exception of a small gathering of leaves in the corner. The net looks like it can use replacing, I'm looking into prices. I have found one for \$116 on Amazon.
