

Walker Lake Lake Committee report  
January 2019

**By Peter Wulfhorst**

Walker Lake Dam –The dam inspection report was received, and a copy was provided to the office. The dam inspection noted vegetation removal along the dam breast as well as below the spillway in the stream. The new Private Dam Financial Assurance program administered by the PA Department of Community & Economic Development is in effect as of January 2, 2019. We can discuss at the Board meeting.

Water Quality – Aqua Link will be providing the lake committee a 2018 Water Quality report soon. The lake committee would like to continue the services of Aqua Link for 2019. This report will assist Walker Lake in how we manage the water quality of Walker Lake in 2019.

The lake committee convened a meeting on December 14, 2018 & will meet sometime in February/March 2019 with Aqua Link.
