

PROGRAM COMMITTEE

1. Looking to find an artist willing to lead Sip & Paint nights. The artist we had just had a baby but she thinks mid September or October might work.
2. We will hold a cheese and cracker event outside under the lights. If the weather does not cooperate we'll do it inside. Date to follow.
3. There will be a pot luck the day of the election from 5:30-8 at the clubhouse. Please let Kathy know what you plan to bring.
4. We have a few more ideas but they need to be worked out before posting.
