Beach & Ground Maintenance Responsibility

We are responsible for lawn maintenance for Maple road mailbox area, boat ramp and dam area, beaches, and clubhouse grounds (parking lot, road drainage, tennis courts and park)

Proposed Budget

We submitted an updated proposed 2020 budget in September of 2019.

Grounds

Hoeper Masonry finished chimney repair

Upcoming Activities:

Clubhouse Tree: I have called Chop & Drop several times to get a price to remove tree limb and tree. Also the stumpy tree next to it. They should remove branches but leave firewood. John Weber is going to contact tree companies.

Clubhouse Gutters: Contact Ned Stevens for our spring cleaning and check gutter where tree hit it

Clubhouse Road Drainage: Bill, John W. and Mike D. to review work required to fix drainage

Tennis Court Repairs: We have contacted Copeland Coating & Sport Services to get on their spring schedule. Kathy has sent them a deposit check. Tentatively scheduled for June

Keystone Landscaping to do Spring cleanup in middle May

Beaches

We received new beach tags and car parking stickers for 2020

Remove broken Clubhouse picnic table, purchase new one from Lowes, assemble and stain.

Contact Portable Toilet Company and schedule drop off for Memorial Day weekend.

Install garbage pails at both beaches and boat yard

Install Safety equipment at beaches (safety ropes/buoys, 5ft depth buoy, life ring buoy and throw rope)

Install rafts at Clubhouse and West Shore beach.

Review sand at each beach to see how much we need delivered.

Dam Boat Yard

We noticed two boat ramp cement slabs had shifted a foot to the left. Contact Empire (RJ) to move um.

Install boat ramp dock in early May.

Clean up all old boats, remove boats from boat ramp area, and removed boats with expired stickers.
