

Walker Lake Lake Committee report
February 2020

By Peter Wulfhorst

The lake committee will be meeting on Friday, February 14.

Walker Lake Dam – The lake committee is working on the Walker Lake emergency action plan and have contacted Kiley Associates to complete the location and inundation maps.

The committee will be discussing the dam inspection at our February meeting.

Water Quality – We will be meeting with Aqua Link in early March to discuss the 2019 water quality and fishery reports.
