

Communications Committee Report - meeting held on August 28, 2021

- Newsletter:
The next newsletter will come out in mid September. Bob Fisher is retiring as our editor in December and we are looking for a new editor. Many thanks to Bob for a wonderful job done over the last four years.
- Walkerlake.com website continues to have consistent visitors/traffic.
- The communications equipment in the clubhouse has been updated, including a dedicated computer and camera/microphone.
- A reminder – the Friends of Walker Lake Facebook page is an informal way to share information with our neighbors. It is not the correct venue for official complaints and or concerns. The WLLA Board of Directors does not monitor the page. The page is monitored by volunteers from the Communications Committee.
