

PROGRAM COMMITTEE REPORT – May 2026

Valerie Mitchell, Program Chair

Potluck Dinners

Continuing through June, will pick up again in September:

April – Saturday the 18th had a Flower Power, Spring and 60's theme

May - 16th; will be International Foods we are hoping for a good turnout

June – get ready for summer with a Beach Boys theme

Mahjong – is having a resurgence; lots of people looking to learn and play. Can we sent out a query on FB and the WLLA site to determine if there is interest and someone who can teach and if we get this going can we use the Clubhouse for it during the day.

Book Club, Next book club meeting is Friday, June 5th at the home of Jackie Kaiser, we are reading: The Nantucket Restaurant by Pamela Kelley

Tennis/Pickleball – We are on the court playing, new lock on the gate and an updated sign in sheet is outside the court; we are seeing more people using this facility. Bocce court looks like it held up well so anyone can use it.

Yoga – Would like to resume the Saturday morning beach classes at 9:00 AM, I can teach beginning June until late August. We need to advertise that we must have 5 people to hold the class (\$10 members, \$15 non-members/guests). All levels welcome!

Special Event – In anticipation of the Semiquincentennial (250th anniversary) of America, Joseph Blanco our own resident historian, is offering an interactive program describing the founding of the United States. Date is Thursday, June 11th at 6:30 PM, and instead of a charge per guest we are asking people to donate to our Humane Society on Lee Road.

Walker Lake Regatta – And the theme is: Summer Splash Spectacular the most votes came in for that. Need to know what the budget is for prizes and food (basing it on 40-50 people).
