Beach & Ground Maintenance Responsibility

We are responsible for lawn maintenance for Maple road mailbox area, boat ramp and dam area, beaches, and clubhouse grounds (parking lot, road drainage, tennis courts and park)

Proposed Budget

We submitted an updated proposed 2020 budget in September of 2019.

Grounds

Clubhouse tree branch fell on office. I have called Chop & Drop several times to get a price to remove tree limb and tree. Also the stumpy tree next to it. They should remove branches but leave firewood. Still waiting for a response.

**Tennis Court Repairs:** We have contacted Copeland Coating & Sport Services to get on their spring schedule. Kathy has sent them a deposit check.

Hoeper Masonry needs to do the office chimney stucco and chimney cap in the spring.

Beaches

Beaches have been closed for the season. All beach equipment has been stored.

The clubhouse beach picnic table has fallen apart and should be removed from the beach. We will buy a new table, assemble it and stain it in the spring.

We are contacting companies to get quotes for beach tags and car parking stickers for 2020 seasons. We are going to individual beach tags this year.

I wrote a Beach and Grounds activity report for the March Newsletter to provide everyone a heads up regarding security, beach and boat yard activities/guidelines.

Dam Boat Yard

We noticed two boat ramp cement slabs had shifted a foot to the left. Contacted Empire (RJ) but now this will have to wait till spring. I will review this with RJ then.
