

Beach and Grounds Report for May 2023 Beach dock was put out on 5/8 by Ralph Cozzolino and me. Thank you, Ralph. I placed the garbage cans out on 5/9 and notified Bill Mays that they were out.

Looked into tennis net and new crank lock. The crank to match what's on there is \$169 on Amazon and the nets can be from \$116-\$200. We should look to get a crank due to the net won't stay high enough.
Motion to buy a new tennis court net and crank not to exceed \$500.00.
