

Program Committee September 2023
Submitted by Janice DiMaio

The Program Committee had a quick meeting to discuss some future ideas and possible events: in attendance Jackie C, Sandra M, Val M, Janice D

There was a discussion about opening events up for Twin Lakes residents and they can pay a non-member fee per event or perhaps we could offer a package of sorts at a set fee including all events.

A full calendar will be submitted to the office after meeting and discussion.

- First Friday Potluck will continue on October 6, at 6pm with a "Spooky Theme"
- We were discussing a Halloween parade for the children in the community along with a truck or treat.- on Halloween.

A Halloween party for adults on Friday evening 10.29 at 7pm- looking into a possible dj- if dj available and not too costly fee will be determined.

Val has offered to teach a yoga class on Monday evening 7- 8 ,her fee would be 50.00 per class and we could charge 10 for members and 15 for non members. We discussed 8 sessions to start. If successful we can possibly talk to Val about adding another class or extending the Monday night session. Val has all the necessary insurance and has spoken with Carol G as well for all required paperwork.

November first Friday Potluck will be 11.03- "Freindsgiving: Theme, 6pm

We have been attending a Line Dancing class in Milford and are looking to bring up to WLLA. TBD- (October, most likely) Fee involved TBD. This is a new class for the gentlemen teaching and it is lots of fun and great exercise.

We discussed the possibility of a Winery Tour, a coach bus requires 42 people to cover the cost of the bus and the trip would be limited to 50 so there will be slight profit. In addition to a Winery Tour we also discussed a trip to NYC same thing 50 max during the holidays, we would head to Bryant park or the surrounding area. NYC is so beautiful during the holidays but the drive and parking is enough to keep you away. We will drive you down and back!

When asked for event suggestions on FB, the community expressed an interest in a breakfast with Santa. I have no problem doing breakfast with Santa- we would just need a volunteer to play Santa and a suit.

I would also like to set up a food drive, I'm sure there are plenty of people in need so I will discuss with Mike Devita as he is very involved in his church and perhaps a toys for tots collection as well.

And let's not forget a NYE Party. This will have a DJ and there will be a fee involved.

A book club has been in discussion several times. We just need to pick a book, date, host and get the people reading. TBD.

I would also like to encourage more participation from the board at our events.
